

## I.O.D.E. Float Best In The Big Jubilee Day Parade

The parade Thursday morning in conjunction with the Didsbury Lions Club Jubilee celebration was not as large as last year, but with fine weather prevailing there was a good attendance and floats, dogs, horses, car and machinery displays all helped to make a creditable showing.

The parade was led by the Didsbury-Carstairs band, followed by cars containing the old timers, mounted cowboys and cowgirls, old time outfits, mounted boy and

girl riders, I.O.D.E. float with the Carnival Queen contestants, Legion float with guides and scouts, Rosebud Garage Plymouth car, Didsbury float (shown in Calgary exhibition), decorated bicycles, kids and their dogs, Edford Motors Chevrolet car and truck and Oldsmobile car, McCormick Deering combine, Cock-shorn combine, Prevost Motors Mercury truck and car, Payne-Freeman Co. Dodge convertible, Dodge sedan, De Soto sedan and Dodge truck, and Roger Barrett's Fordson tractor.

When the parade was over the judges announced the following prize winners:

Floats—1st Mons Chapter I.O.D.E. 2nd Didsbury Branch Canadian Legion; 3rd Rosebud Garage.

Best Old Time Outfit—1st Lee Gwynn; 2nd M. Gill; 3rd Danny Johnston; 4th Ronald Hayne.

Send Him His Dog—1st Geo. Gillette; 2nd Ethel Lyle. Junior Rider and Mount—1st D. Fulkert; 2nd Roland Mullen; 3rd J. Gillette.

Decorated Bicycle—1st Beverley Wiggins; 2nd Arne Reiftenstein; 3rd Pat Halliday.

Kid and His Dog—1st Don McArthur; 2nd Jack Krueger; 3rd Maureen Carleton.

## LOCAL NEWS NOTES

Born to Mr. and Mrs. Albert Chemill of Sundre, at the Didsbury hospital on Sunday, August 10, a girl.

Miss Mary Tams was a business visitor to Calgary this week.

Russell Ady went over to the P. J. Rock & Son farm in the Orkney district last week and purchased a purebred Suffolk ram.

H. Morgan left Sunday to attend a postmasters' convention at Regina.

Mr. and Mrs. A. Bown and family were Calgary visitors last Wednesday and Thursday.

Mrs. Frank Emery, Miss Mabel Nash and George White of Carbon attended the Didsbury Golden Jubilee Sports Day on Thursday.

J. V. Berscht brought in to The Pioneer office a copy of the first issue of The Didsbury Pioneer, published Feb. 13, 1903. The paper was found by Mrs. J.L. Clarke in some old household effects of Dr. Lackner, and the copy of the paper is in an excellent state of preservation.

## ZELLA NEWS NOTES

Some fifty friends and neighbors gathered at the home of Mr. and Mrs. Dick Nelson of Hartman to shower our district newswyds, Mr. and Mrs. Robert Ross. The couple received many lovely gifts, and the wishes and congratulations of this community are extended to them.

Mr. and Mrs. Bill Egging, Muriel and Kenneth, and Mrs. Charlie Foss have just returned from a pleasant motor trip to Jasper, Banff and the Columbia Ice Fields.

The Zella men's softball team defeated Westcott in a game last Tuesday evening by a score of 15-5. A return game will be played at Zella shortly.

Don't ask Wilbur Jahnke what the other fellow looks like because it is only another innocent being on his eye. We also wonder if the honey is worth it.

Word has been received that Mr. Hugh Dunlop, who taught at Zella last year, will be teaching Grade IV at the Cameron school in Coleman this year.

Little Frankie Schmidt of Inverness district underwent an emergency operation for a ruptured appendix last Sunday.

## FORTY YEARS AGO

August 16, 1907

Mr. A.F. Maley will erect a pork packing establishment in the north-east part of town.

On Friday, August 2nd, a most enjoyable house warming party was given by Mr. Gamble at his new residence, Casa Cavalleria.

School will reopen at Seiberville on August 19. Miss G. Miller will be the new teacher.

Henry Braun was badly hurt last week when his horses ran away while he was driving a sulky plow.

A little more sunshine and warm weather will give Didsbury district as large a crop this year as it has ever had.

## C.P.R. TRAIN TIME TABLE

### DAYLIGHT SAVING TIME

#### Train No. To Calgary

522 ..... 5:51 a.m.

524 ..... 12:54 p.m.

526 ..... 6:20 p.m.

#### Train No. To Edmonton

521 ..... 2:10 a.m.

523 ..... 12:01 p.m.

525 ..... 7:19 p.m.

All the above trains are daily

## OWN CLUB NOTES

The Didsbury Gun Club continued its activities last Tuesday evening when ten participants turned out to the regular shoot. The sky was dull and Russell Ady had the Clays flying to "specification" and the following scores were chalked up: Rouleau 23, Ady 22, Klein 19, Thompson 17, McDonald 17, Studer 16, Sherrick 15, McCoy 15, Wrigglesworth 11 and Ranton 7.

## BASEMENT COMPLETED FOR LUTHERAN CHURCH

After 15½ hours of hard labor, a crew of 25 volunteers of Redeemer Lutheran Church laid down their tools a few minutes before midnight on Wednesday, August 6, and the cement for the new Redeemer Lutheran Church basement was completed. On Friday the forms started to come off and all indications are that a major job has been well done. Now that the basement is poured it is hoped that the main structure will rise rapidly.

On Sunday afternoon, August 17, at 4 p.m., the corner stone laying ceremony will be held. Incorporated in the corner stone will be a copy of the Bible, a Lutheran Hymnal, a Lutheran Catechism, a copy of the constitution of Redeemer Lutheran Church, a brief history of the congregation, a list of members at the time of the corner stone laying and a copy of the local newspaper, The Didsbury Pioneer.

## Harness Races Provide Good Entertainment

The Harness and Open Run races held on Jubilee day were the best seen in Didsbury in a good many years, according to some of the old time racing fans, and altogether 18 horses were entered in the four races.

**228 CLASS**  
Horses entered: Victory Boy, owned by Fred Colley of Stettler and driven by Jenkins; Jim Worby, owned by L. Benjamenson, Colville, Sask., and driven by L. Benjamenson; Slim Acres, owned by A.J. McKinley, High River, and driven by A.J. McKinley; Linda Wilkes, owned by A.J. McKinley, High River, and driven by H. McKinley.

There were three heats in this race, and results were:

Horse	Heat
1 2 3	
1 Slim Acres	1 1 1
2 Victory Boy	1 1 1
3 Jim Worby	3 3 3
4 Linda Wilkes	4 3 3

Prize winners were: 1st Slim Acres; 2nd Victory Boy; 3rd Jim Worby; 4th Linda Wilkes 4th.

Time of the first heat was 2:19; 2nd 2:18½; 3rd 2:20.

**FRANCE FOR ALL**  
In the Free For All Class there were four entries: Lillian Russell, owned by A.J. McKinley and driven by A.J. McKinley; P.H. Worby, owned by H. McKinley, High River, and driven by H. McKinley; Iowalta, owned by Ned Rutledge, Fort Dodge, Iowa, and driven by S.R. Forsyth; Maud Direct, owned by D.G. Innes, Craleview, Alta., and driven by A. Foster.

The three heats in this race gave the following results:

Horse	Heat
1 2 3	
1 Iowalta	1 1 1
2 Maud Direct	2 2 2
3 P.H. Worby	3 3 3
4 Lillian Russell	4 4 4

Prize winners were: 1st Iowalta; 2nd Maud Direct; 3rd P.H. Worby; 4th Lillian Russell 4th.

Time of the first heat was 2:13½; 2nd 2:10½; 3rd 2:13.

**NAMED RACE**  
Horses entered in this class were: Jackie Tide, owned by A.J. McKinley and driven by H. McKinley; Francis Cole, owned by Herb Sinclair, Didsbury, and driven by Herb Sinclair; Prince Pointer, owned by D.M. Sinclair, Didsbury, and driven by D.M. Sinclair; Pennant Worby, owned by N. Haw, Pennant, Sask., and driven by Sharboneau; Bertha Direct, owned by Jas. Calhoun, Didsbury, and driven by A. Gillette.

There were only two heats in this race, and results are as follows:

Horse	Heat
1 2	
1 Bertha Direct	1 2
2 Pennant Worby	2 1
3 Jackie Tide	3 3
4 Prince Pointer	4 5

Prize winners were: Bertha Direct and Pennant Worby, tied for 1st and 2nd; Jackie Tide 3rd; Prince Pointer 4th; Francis Cole 5th.

Time of the first heat was 2:22½; and the second heat 2:19½.

## 220 CLASS

Horses entered in the 220 class

The Carnival Queen Contest held in connection with the Lions Club Jubilee celebration, was completed last Thursday afternoon and when the votes were counted Miss June Parsons was declared the winner, and was crowned Queen of the Carnival in an impressive ceremony at the grounds in the afternoon.

The contest was well supported by the people of Didsbury and district who donated \$1178.00 to the Community Centre Fund by buying votes for their favorite contestant.

## BASEBALL GAMES A BIG FEATURE OF JUBILEE SPORTS DAY

The Didsbury Golden Jubilee celebration sponsored by the Didsbury Lions Club drew a large crowd last Thursday, August 7, and got under way in the morning with a large parade which was enjoyed by many spectators.

Following the parade the crowd gathered at the exhibition grounds for the sports events, as well as to enjoy themselves at the merry-go-rounds, carnival booths and other novelty events.

The baseball tournament drew many interested spectators and was featured with some of the best games seen in Didsbury for some time. In the first game between Crenoma and Didsbury the visitors won 14-11. In the second game between Bester and Melvin the game ended 5-3 in favor of Bester. The final game between Crenoma and Bester was played in the evening and was close and exciting, with the Beiseker boys winning 6-8. This gave Beiseker first money, Crenoma second, Melvin third and Didsbury fourth.

The ladies' softball tournament attracted considerable attention and there were 3 teams entered, Dog Pound, Olds and Didsbury. In this tournament Olds won first money, Dog Pound second and Didsbury third.

There was also kiddies' races, a horseshoe tournament and other attractions for both young and old, and in the evening a jitney dance was held at the grounds with a big crowd taking part in this final event.

Taking everything into consideration the Jubilee celebration was a big success and the Lions Club raised about \$1200, which will be turned over to the Community Centre Fund for Didsbury's new covered skating rink.

## WESTCOTT SCOUTS, GUIDES HONOR MISS ROBERTSON

The Westcott Scouts and Guides and their parents held a farewell party and kitchen shower at the home of Mr. and Mrs. W. Owens on Friday evening, August 8, in honor of Miss Mary Robertson, whose marriage takes place shortly.

The evening was spent in playing games on the lawn, after which all the Scouts and Guides came marching and singing over the lawn, with their presents hung over their shoulders on sticks.

After a bounteous lunch of fried chicken, bun, pie and cake the group gathered around a camp fire for a sing song. A most enjoyable evening came to a close with the singing of "For They Are Jolly Good Fellows."

Mr. and Mrs. C. Alden and two daughters spent Monday in Calgary.

## Miss June Parsons Is Carnival Queen

There were six contestants in the event, June Parsons, Olga Dupont, Minnie Schneidmiller, Muriel Devolin, Joan Carleton and Audrey Rafford.

When the contest ended June Parsons was first, Olga Dupont second, Audrey Rafford third, Minnie Schneidmiller fourth, Muriel Devolin fifth and Joan Carleton sixth.

As a result of the contest Miss Parsons won a trip to Victoria with one week's expenses, and appropriate prizes were given to the other winners.

## May Start Construction This Year On Waterworks

### MISCELLANEOUS SHOWER FOR MARY ROBERTSON

A large crowd of ladies and Rev. D. Whyte Smith recently gathered at the home of Mrs. Roy McNaughton to honor Miss Mary Robertson, an August bride-elect.

The afternoon was spent with the playing of two contests, a rendition on the piano by Viola McNaughton and a comic song by the Klink sisters.

On behalf of those present Mrs. Hoesegood Sr. presented Miss Robertson with a beautifully decorated basket filled with gifts. The basket reposed on a little wagon which was drawn into the room by Marion Hoesegood and Frankie Murphy.

Miss Robertson was assisted in untying the gifts by Miss Betty Klink, and in a few well chosen words the bride-to-be thanked all those present.

After a dainty lunch, the afternoon was brought to a close with everyone wishing Mary the best of everything in her new home in the U.S.A.

### CALGARY STAMPEDE SENDS THANKS TO DIDSBURY

W. McFarquhar has received the following letter of thanks from the chairman of the Calgary Stampede Committee:

Dear Mr. McFarquhar:  
On behalf of the Stampede Parade Committee I would like to take this opportunity of thanking you and the citizens of Didsbury for the very splendid entry that you had in the Parade this year. I sincerely hope that you will pass my congratulations along to those responsible.

The banner which you had is to be retained by Didsbury for your local use. It is our hope that you have an entry in the Parade again on 5th of July, 1948.

Sincerely yours,  
Stampede Parade Committee

## Good Turnout At Legion Memorial Service Sunday

### NOW CUTTING BARLEY

The general rain for a few hours last week and the odd shower since have helped to bring the grain crops along in the district and prospects now are for a good average yield both east and west of town. Crops in the Sunnyslope area will be light, but are by no means a total failure as is the case in some parts of Alberta.

Harvesting of barley has commenced on many farms in the district and yields on the average will be good.

Wheat and oats seem to be filling well and flax crops will be fair to good depending on condition of land when sown.

Hay is well advanced on most farms, with excellent yields. Taking the district as a whole we should have a good all round crop again this year.

### JOHN LIESEMER DIES IN CALGARY, BURIED HERE

John Eggert Liesemer, an old timer of the Didsbury district, died in a Calgary hospital Friday evening, August 8th, and funeral services were held in Calgary on Monday.

Mr. Liesemer was 78 years of age and was born in Mildmay, Bruce County, Ontario, and moved to Didsbury 45 years ago, where he farmed until 1927, and then moved to town to reside. About two years ago Mr. and Mrs. Liesemer sold their home in Didsbury and moved to Calgary.

Surviving are his widow, Melinda, two sons, A.J.F. Liesemer, M.L.A. Calgary, and G.E.G. Liesemer, Calgary, one sister, Mrs. H.M. Reiter, Didsbury; three brothers, Conrad, Calgary, and Edward and Peter, both of Didsbury; and one granddaughter.

Funeral services were held from Goodwin Bros. Chapel, Calgary, on Monday, August 11th at 2:30 p.m., with Rev. A.J. Grams officiating. Graveside services were held at the Didsbury cemetery at 4:30 o'clock, and interment was made in the Didsbury cemetery.

At the last regular meeting of the Council of the Town of Didsbury it was decided to have an eight-inch well drilled immediately on selected site along the proposed water mains of the town. This well will be equipped with modern electric pump so it can be used for a town well until the water and sewage system is installed.

Council also instructed the engineers to prepare a detailed estimate of the cost of the proposed water and sewage system and advertise for tenders for the project as soon as possible.

It is expected that tenders will be called for within the next six days and if favorable it is planned to commence immediately thereafter on construction of the water and sewage system.

### WESTCOTT W.I. RAISES \$40 AT ICE CREAM AND PIE SOCIAL

The ice cream and pie social sponsored by the Westcott W.I., and held on Tuesday, August 5th, was a big success, the cool weather being the only drawback to a pleasant time.

The ball game between Westcott and Zella resulted in a win for the latter team.

The sum of over \$40 was raised and the W.I. wishes to take this opportunity to thank all the ladies who donated pies, and also to everyone who helped to make the evening such a success.

Mr. and Mrs. Alvin Hunsperger have returned from an eight week trip to Michigan, where they have visited in 54 years, and to Mrs. Hunsperger's home town of Kitchener, Ont., which she also hasn't visited in 54 years. They had a good trip and after visiting United States points returned home by way of Duluth, Port Arthur and the Trans-Canada highway, and Mr. Hunsperger says they didn't see any district they liked better than Didsbury nor did they see better crops anywhere.

### THE MEMORIAL SERVICE

The Memorial Service held at the Butte Sunday afternoon, August 10, under direction of the Didsbury Branch No. 108 of the Canadian Legion was largely attended by both town and country folks, who gathered to pay tribute to the men and women of the Didsbury district who fell in the Wars of 1914-18 and 1939-45.

Prior to the service at the Butte, which commenced at 3:00 p.m., a parade formed in front of the hall and was led by the Didsbury-Carstairs band, followed by veterans, Brownies, Girl Guides, Westcott and Didsbury Boy Scouts, Rangers and I.O.D.E. members.

During the ceremony wreaths were placed on the Memorial on behalf of the Canadian Legion and other organizations, as well as by individuals who paid tribute to departed loved ones.

Rev. D. Whyte Smith, Padre of the Legion, delivered an address appropriate to the occasion and the service concluded with the singing of the National Anthem.

### DONALD IRWIN WINS SILVER TROPHY

Donald Irwin was the winner of the silver trophy donated by the Olds Livestock Breeding Club for the best artificially bred Holstein Heifer under one year of age, shown at the Didsbury, Bowden and Olds Fairs.

The trophy is for annual competition and in winning it for the first time this year Donald brings more honors to the Didsbury district, and is to be congratulated on his splendid effort.

## CANADA'S PROSPERITY

Canada's prosperity is dependent mainly on the agricultural products which are produced in the nine provinces, and not on the manufactured goods and tourist trade, as many would endeavor to make us believe.

This is more evident than ever with the prospects of a small grain crop in Western Canada, coupled with a feed shortage in Eastern Canada, and prospects for 1948 exports of grain, flour, meat and livestock products are not encouraging at the present time.

Should our exports of agricultural products fall below the 1947 figure, Canada as a whole can look for sharply reduced markets for all lines of manufactured goods for home consumption, which means reduced purchasing power for farmers, manufacturers, laborers and business men.

The whole economy of the Dominion boils down to the recognized fact that a prosperous Canada depends mainly on the prosperity of the country's farmers, and our governments should endeavor to do everything possible to give our farmers good returns for their products.

Districts in the west where fair crops are harvested will remain prosperous as long as they have grain and livestock products to sell, and dependent on the continuance of market prices. Present prices are almost assured for this coming year, and it is now hoped that the crop returns will be as high as possible in the Didsbury district at least, which still has hopes of a better than average grain crop, taking into consideration the average yields over the whole province.

## THE ANTI-MENTALITY

"They shall not pass," was the watchword of the United Nations during the war. It still seems to be their watchword—invoked against each other during peace. We are still fighting against something instead of for anything. We are still trying to prove what's wrong instead of proving a great right. In this widespread anti-mentality even the freedom we so dearly preserved is only freedom from oppression. What is freedom for?

Do we use freedom to build sounder, happier homes or just to give free rein to wives and husbands, parents and children whose selfishness splits homes? Do we use free enterprise in work to make all men secure and happy or just as the privilege by which some grow more prosperous than others? Do we make democracy a framework in which to build the character of men, or do we just let lack of character in men undermine democracy? Do we realize that "As I am, so is my nation," or do we complain that the nation ought to be different so we could be better off?

We could make our nation so different, if we ourselves began to live differently, that the free and democratic way of life would appeal to all mankind. Then the world's clashing anti-mentalities would ebb, swing around into a positive flood tide, and merge in the common support of this new and desirable way of life.

## CROPS BEING HARVESTED

Harvesting of the United States winter wheat crop continues to make rapid progress, and has advanced northward to Nebraska, southern Iowa, northern Indiana, and Ohio. Both yields and quality are reported to be generally good.

## WESTERDALE NEWS

The Westerdale ball team lost their first game of the final playoff on Sunday afternoon when Hartman won by a score of 9-2. The second game of the series will be played at Westerdale on Sunday, August 17th.

A Baby shower was held at the home of Mrs. D. Herbert last Wednesday afternoon for Mrs. H. Daly, an English war bride. A very enjoyable afternoon was spent by the 24 ladies present. A "Know Your Country" contest was won by Mrs. K. Rowell. Following the opening of the gifts a delicious lunch of sandwiches, cake and ice cream was served.

Mr. and Mrs. G. Nelson of Olds were Sunday evening visitors at the home of Mr. and Mrs. S. Jackson.

Mrs. A. Bolton spent the past week visiting at the home of her son, Mr. J. E. Bolton.

Mr. and Mrs. W. Herbert motored to Calgary last Saturday.

Mrs. W. Wigley had her sister and children from Calgary visiting her last week.

Bill Wigley left Thursday on a trip to Climax, Sask.

## NO NEW CONTRACT WITH BRITAIN FOR CANADIAN POULTRY

Word that Great Britain has decided temporarily to discontinue purchase of Canadian dressed poultry was received by Department of Agriculture at Ottawa this week and it is likely that this market is to disappear "pending settlement of Britain's import program."

Outside sources explain that the reason is all wrapped up in the world financial restrictions but the explanations are not very convincing.

However Special Products Board is now nearing completion of its purchases and fate of new contracts is awaited.

Until the British position is clarified says the department, export permits for poultry to other countries will be issued freely. Such permits have been restricted in the past in view of the Canadian agreement to supply poultry to the United Kingdom.

Discontinuance of the contract has resulted in a sudden reduction of poultry prices in Alberta.

There is no provision for divorce in Italy.

## BRITISH FREIGHTER OPENS CHURCHILL SHIPPING SEASON

Attention recently directed to Hudson Strait through the loss of the northern supply ship "Nascopie," is focused again on the commercial aspects of the trade route that has its western terminal at Churchill on Hudson Bay. Plans have been made for a special welcome to the first freighter reaching the Manitoba port this year, with an organized group of prairie grain growers and business men scheduled to visit Churchill at the same time as the arrival of the British freighter "Essex Trader" on August 8.

Twelve ocean-going ships visited Churchill during its nine week navigation season last year, when grain shipments totalled 2,928,936 bushels. Port facilities, which are administered by the National Harbours Board, include a grain elevator with a storage capacity of 2,500,000 bushels, which can load three ships simultaneously.

## LOCAL NEWS NOTES

Mr. and Mrs. John Folkman and family returned Tuesday after spending a two weeks holiday motoring through the States by way of Banff, Radium and Creston.

Mrs. G. Pratt of Calgary, who has been visiting friends and relatives in the Didsbury district for the past month, returned to her home in Calgary Tuesday.

## THE FLY MENACE

Now that July is here, so is the housefly season, which will soon be reaching its peak. Since flies are carriers of disease, everyone may do a service for himself, and everyone else, by killing every fly he can and by cutting off their breeding places.

Other breeding places for flies are heaps of decaying vegetables or fruits, potato peelings, straw, manure, outside privies, weeds or grass clippings. The latter should be sprayed with oil and burned. It is also advisable to burn oil or paper in the garbage cans or clean them with a solution of lye or hot water. Privy doors should be kept closed and the building made as fly-proof as possible.

Thanks to advances in the new development of insecticides, for example D.D.T., we now have effective controls over the fly menace which are suited for household and dairy use. Make use of these controls, and be careful to follow directions on the container.

Prevent Breeding Places for Flies! Kill Those Flies That Do Breed!

The most effective method of controlling tuberculosis, in the light of present knowledge, is isolation of the infected persons, preferably in a tuberculosis institute. The extent to which this is being accomplished cannot be measured adequately by mortality statistics. It is known that persons dying of tuberculosis may not have been hospitalized sufficiently long to assure adequate protection of household and other contacts.—Household Magazine.

## PLEASE PHONE OR BRING IN YOUR NEWS ITEMS

This newspaper cannot make a house to house canvass for news, but it is always glad to have it phoned or handed in. We want all the news. We are just as pleased to mention your guests or your visit as to mention doings of your neighbors—but maybe your neighbors co-operated with us in getting the facts. Please let us have your news items. Our columns are always open to them. And remember they must be in before Tuesday noon, if at all possible.

## WHO DOES YOUR PRINTING?

All business houses need more or less printed matter, all of which is within the possibilities of the local printer. Yet how prone many are to pass up the home printer and let the orders go to city offices which have no interest whatever in rural communities except to get printing orders and the cash to pay for them.

Business men, remember that the home paper is constantly promoting the interests of the home community and you owe it to yourself and your local paper to back up these efforts by at least having your printed matter done locally.

## FALL TILLAGE IMPORTANT IN CONTROL OF WEEDS

(Experimental Farms News)

It is generally known that all weeds in field crops materially reduce crop yields. This is particularly true in humid regions where weed growth is rapid and abundant.

To control annual and winter annual weeds it is important to encourage the weed seeds in the soil to germinate during the fall or early spring and to destroy the weed plants and eliminate their seed production.

Tillage of stubble fields in the fall has been most effective in encouraging favourable germination of weed seeds either during the fall months before freeze-up, or early in the spring before seeding. The field operations may be done with any one of several machines such as the one-way disc, disc harrow or cultivator. Since weed seeds germinate most readily from close to the ground surface, shallow tillage should be practiced. Many seeds may lie viable in the soil for over twenty years if buried by deep cultivation. Seeds of stinkweed germinate best if left lying on or at the ground surface. Seeds of wild mustard grow best one-half to one inch deep. Wild oats will germinate from a much greater depth. They will seldom germinate from the ground surface.

When the fall tillage is done early it generally results in favourable weed seed germination before freeze-up, and often a crop of weeds can be killed before winter sets in. Late fall tillage has been responsible for good germination of wild oats early the following spring but early fall tillage has not always given good fall germination of this weed. Very early fall tillage is useful in preventing the growth of Russian thistle seed and early fall tillage has also been effective in controlling perennial soil thistle.

Packing after each tillage operation has been advantageous in maintaining soil moisture and thus encouraging weed seed germination. This is particularly true on the lighter textured soils.

Tuberculosis would be almost completely eradicated in our country in the near future if existing knowledge and facilities were fully and effectively utilized.

## FAIR PRIZE WINNERS

### POULTRY

Heavy Cock: 1st Kathleen Atkinson; 2nd H. Roberts and Son.  
Heavy Hen: 1st Margaret Atkinson; 2nd H. Roberts and Son.  
Heavy Cockerel: 1st Walter Irwin; 2nd Mrs. Ed Klineck.  
Heavy Pullet: 1st H. Roberts and Son; 2nd Merle Siebert.  
Light Cock: 1st H. Roberts and Son.  
Light Hen: 1st Mrs. K.W. McCoy; 2nd H. Roberts and Son.  
Light Cockerel: 1st Mrs. Walter McCoy; 2nd H. Roberts and Son.  
Light Pullet: 1st Mrs. Walter McCoy; 2nd H. Roberts and Son.  
Fancy Cock: 1st Kathleen Atkinson; 2nd H. Roberts and Son.  
Fancy Hen: 1st H. Roberts and Son; 2nd Mrs. E. Charlton.  
Fancy Cockerel: 1st H. Roberts and Son; 2nd H. Roberts and Son.  
Grains, Grasses and Vegetables  
Bundle Timothy: 1st Merle Siebert; 2nd Mrs. E. Charlton.  
Bundle Bromo: 1st Otto Faas.  
Bundle Alfalfa: 1st Mrs. E. Charlton; 2nd Merle Siebert.  
Sheaf of Wheat: 1st Mrs. E. Charlton; 2nd Merle Siebert.

Set of Pot Holders: 1st Mrs. Mary Klineck; 2nd Olga Dupont.  
Set of 3 Knitted Baby's Articles: 1st Jeanette Worral; 2nd Sarah Zook.

Afghan: 1st Westcott Women's Institute.

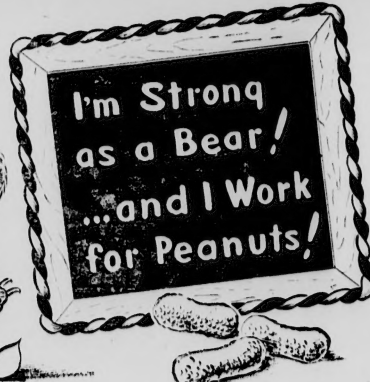

### BODY LUBRICATION

In warm weather the human body may need less food for fuel, but it requires more lubrication. And experts point out that the body is "water-cooled." If allowed to run dry, it may "knock."

If people prefer drinks, as well as other things "sugar coated" the health people suggest that there is variety as well as spice in fruit juices. These should be chilled, but should not be diluted with too much ice.

The United States potato crop is estimated at 352 million bushels this year, which will be barely sufficient to cover domestic requirements. Last year's production was so large that potatoes had to be destroyed for lack of markets.

## WHO AM I?

You Can't Guess? ...

## Why I'm Reddy Kilowatt

Yes, I'm the little man who is always there --- ready and willing to do anything you can think up for me. Anything from lighting your home, cleaning your rugs, and cooking your food to pumping water and grinding grain on the farm.

As for my wages, I'm sure you'll agree that what I get paid for doing all those things is peanuts compared to most other items on the family budget.

But I'm certainly not complaining. I like to work for you and take so many of the back-breaking, bothersome chores off your shoulders. Yes sir! I'm always "Reddy" and willing!

## CALGARY POWER LTD.

SERVING ALBERTA

CANADA LEADING SUPPLIER  
OF SEED POTATOES  
TO ARGENTINA

The importance of Canada as a supplier of seed potatoes to Argentina is indicated by import returns for the past ten years. Argentina

imported 2,432,696 crates of seed potatoes during the period 1937-46, and of this amount Canada supplied 1,280,957, crates or just over 50 per cent. Imports were also received from several other countries, the most important of which were Den-

mark, with 25 per cent of the total, and the United States, 8 per cent.

Health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity—American Journal of Public Health.

## To The Man on The Land

## "A Personal Message"

This is a request for greater support for Alberta Pool Elevators in the 1947-48 crop year.

The Alberta Wheat Pool is an Alberta farmers' co-operative organization. It happens that I am chairman of the board of directors. I am a working farmer like yourself. Having been chosen to head this organization, I am doing my best to make it a success.

Every bushel of grain delivered to an Alberta Pool Elevator makes an important contribution to the farm co-operative movement.

The farm co-operative movement is the greatest and most effective effort in self-help.

If you are not a patron of Alberta Pool Elevators, I ask you to be one. If at all possible, deliver your grain this season to a Pool elevator. Let us make this Alberta grain co-operative an outstanding success and a monument to the enterprise, solidarity and co-operative spirit of Alberta farmers.

**BEN S. PLUMER,**  
Chairman, Board of Directors,  
ALBERTA WHEAT POOL.

# Alberta Pool Elevators

## The Essential Link

IT'S THE LOCAL TOUCH THAT REALLY COUNTS

The magnetic power of local news to win and hold people's attention is as fundamental as human nature itself. Local news begins to play its part in a man's life with a one-line notice announcing his birth. Progress in school, participation in sports, graduation, engagement, marriage follow . . . each likely to figure somehow in local news.

Then comes the upward climb in business, perhaps an entry into politics, almost surely some activity in civic, religious and social affairs . . . each step productive of news that's of vital interest to self, to family, to friends and fellow townspeople. So it goes till death itself writes the final story.

Only in the Hometown Weekly Newspapers can people satisfy their craving for this kind of news, their unceasing curiosity about what goes on close to home. And only there can they find every week the local buying information they need. Which explains very largely why people read The Didsbury Pioneer so eagerly and thoroughly, and why such weekly newspaper advertising produces such satisfactory returns.

Local Business Men cannot afford to neglect these buyers who live in Didsbury and district, and are so well served by

## THE DIDSBURY PIONEER

CANADIAN DAIRY CATTLE AND  
HOGS REACH CHINA

Eight hundred Canadian dairy cattle and 90 hogs, none of which suffered from sicknesses during the fifteen-day voyage from Vancouver, were unloaded last week at Shanghai. One of the veterinarians aboard the S.S. Lindwood Victory explained that the ship was hoisted for 12 hours during a bad squall, when the wind blew around 50 miles an hour, and that "most of the boys were sick, very sick. The cows just stood up, swaying solemnly back and forth with the ships uneasy motion, chewing calmly. The hogs, of course, kept stuffing themselves, quite oblivious to everything."

Following a ten-day rest period and inoculations at the Chinese I.R.A. livestock feeding station near Shanghai, most of the animals will be shipped to agricultural stations and farm schools in seven liberated provinces of China, while others will furnish milk and meat to hospitals and orphanages. A total of 2,590 UNIKRA cattle, 1001 high-grade sheep, 792 mules and 90 hogs have so far arrived in China to assist that country's recovery, in some measure, from the enormous estimated war loss of 4,000,000 cows and 10,000,000 hogs.

GRAIN DELIVERY  
REGULATIONS

The Canadian Wheat Board has indicated its policy with regard to delivery quotas after July 31, 1947 to be as follows:

There will be no delivery quotas established on rye and flaxseed in the crop year 1947-48. Deliveries of rye and flaxseed may be made at any delivery point, without entry in delivery permit books.

The delivery quotas on wheat, oats and barley will be left "open" after July 31st, until new crop deliveries and shipments reach such a volume as to make necessary the establishment of local delivery quotas for some months of the season. Such local quotas, however, as and when established, will be as liberal as possible.

Entries must be made covering all deliveries of wheat, oats and barley, as from August 1, in the new 1947-48 permit book, and may not, under any circumstances, be made in the old 1946-47 book, which expires July 31, 1947.

Unless written permission has been received from the Board, deliveries of wheat, oats and barley must be made at the delivery point designated in the permit book.

## WINTER WHEAT

(Experimental Farms News)

The winter of 1946-47 was one of the worst winters experienced in Southern Alberta for winter wheat. Many fields winter-killed to the point where it was considered advisable to re-seed the land to other grain. While the areas to the east and south of Lethbridge suffered more damage than the western part no locality seemed to escape winter killing entirely.

The winter wheat acreage has increased rapidly in Southern Alberta in recent years, principally due to the premium of ten cents a bushel over spring wheat, and the fact that winter wheat, through its earlier maturity, advances the harvest season and helps to some extent to counteract the July drought. There were 309,000 acres sown in Alberta in the fall of 1946 and 53,000 acres in Saskatchewan.

Southwestern Alberta has always been found the safest area for winter wheat in the Prairie Provinces and farmers there realize that failures do not occur sufficiently often to warrant discouragement from the recent results. Elsewhere on the prairies, however, damage from winter killing must be expected more frequently.

At the Dominion Experimental Station, Lethbridge, the winter wheat crop has only completely winter-killed once in the last 30 years, and Kharkov winter wheat for an 18 year period has given an average yield of 19.6 bushels per acre, as compared with 18.1 bushels per acre for Marquis, a spring variety, both varieties being grown on summer-fallow and under similar conditions.

Kharkov (preferably the M.C. 22 strain) and Yogo appear to be the two best varieties for Southern Alberta at present. These are bearded varieties. Jones Fife, on account of being beardless, is preferred by many farmers, but it is definitely less winter hardy than Kharkov and Yogo, as was well demonstrated this season.

## WEDDINGS

EVANS-INNES

Tall standards of delphinium and larkspur formed the floral setting in the Craigmyle United Church for an afternoon wedding, Wednesday, July 30, when Audrey Kathleen Innes, youngest daughter of Mr. and Mrs. D.G. Innes of Craigmyle, became the bride of Frederick Lloyd Evans, son of Dr. W.G. Evans of Didsbury.

Escorted to the altar by her father, the bride was gowning in a floor-length model of embezzled white satin, styled with a drop-shoulder of marquisette, long lily-point sleeves, and pannier designed skirt. Her hair was crowned with a seed pearl coronet, from which cascaded her long embroidered veil. Her bouquet was of pink and white sweetheart roses.

The bridemaid, Miss Mary Nixon, of Craigmyle, wore a gown of powder blue tulle, with matching veil held in place by a bandeau of pink roses, and she carried a colonial bouquet of pink and white carnations.

Carrying a basket of garden flowers, Judy Evans, niece of the groom, was the flower girl.

The groom was attended by his brother, Ellwood Evans of Calgary, and two other brothers, George and Arthur of Calgary and Edmonton respectively, were ushers.

Rev. E. Davidge was the officiating clergyman, and Mrs. F. F. Paterson the pianist. Miss Peggy Rens sang "Because," during the signing of the register.

Following the ceremony a reception attended by 35 guests, was held at the home of the bride's parents. The bride's table, set with a lace cloth, was centred by a three-tiered wedding cake, flanked by tall tapers set in silver candelabras. Mrs. J. B. Innes, presided at the coffee urn, and those assisting in serving were, Mrs. D.J. Nicholson, aunt of the bride, Mrs. Frank Murphy, and Miss Lorna Harvey.

Mr. B. Innes, uncle of the bride, proposed the bridal toast, which was responded to by the groom.

After the reception the bridal couple left on a motor trip to Banff, Okanagan Valley and Waterton the bride wearing as her travelling outfit a tailored crepe dress of Queen's blue, topped with a white shortie coat, with hat and accessories in black and pink. Upon their return they will make their home in Didsbury.

Out-of-town guests attending the wedding included, Mr. and Mrs. J. B. Innes from Shaunavon, Sask.; Mrs. D. J. Nicholson, Swift Current, Sask.; Dr. and Mrs. W.G. Evans, Didsbury; Mr. and Mrs. Ellwood Evans, Judy, Lorrain and George Evans, Calgary; Arthur Evans, Edmonton; Mrs. Mabel Cargo, Calgary; Mrs. Norma Murphy, Edmonton, and Miss Lorna Harvey of Hanna.

The X-ray film, particularly in surveys, is only a screen in tuberculosis case finding. It can only pick out the normal from the abnormal. It is important clinical follow-up investigation that must take the positive carrier. - Journal of the American Medical Association.

Alberta is Canada's most irrigation minded province.

Guineas (value, 21 shillings) are out of circulation in England.

There was a day when the housewives bought the far away "bargain" in the belief that it was good business to save a few pennies. But experience taught them a few things. Today's housewives do not buy blindly. They examine the article first and when satisfied with the product they pay a fair price at home. It is economical to make your purchases in

**DIDSBURY****:- DISTRICT NEWS :-****BURNSIDE NEWS NOTES**

Dennis Jenkins has installed electric lights in his new residence this week. The "Flats" are getting better all the time.

Mr. Ed Anderson and son, Lloyd, of Calgary, are visiting with Mr. and Mrs. Harold Davidson this week.

Mr. and Mrs. Gilbert Huggard spent Saturday in Olds.

Mr. and Mrs. Pete Schumaker have returned from the coast after a delightful holiday spent with their daughter, Mrs. E. Cluney.

The road past the Lone Pine hall is undergoing a face lifting and should soon be in good shape.

Dare we hope for a top surface of gravel?

We understand that the Burnside school has obtained the services of the teacher who taught at the Jutland school for a time last year.

Mrs. Dawson and son, Rex, who are leaving the district to make their home in Sunnyslope, were guests of Mr. and Mrs. Gilbert Huggard on Sunday, August 3rd.

**WESTCOTT NEWS NOTES**

Mr. and Mrs. Herbert Goetjen attended the Seidel-Young wedding in Calgary last week end.

Mr. and Mrs. John Bogner are settled in their new home east of the store, on what is known as the McMurray place.

The Topping Brothers have a field of early barley cut and stacked—the first in the district.

Mr. and Mrs. Linden Jacobsen are busy getting material together for the new home they intend to build this fall.

Mr. and Mrs. John Stevenson and family of Sundre were visitors at the Jack Robertson home last Sunday.

Mr. Jack Robertson and Mr. Bob Hughes accompanied their Scout and Cub troops to the Memorial Service in Didsbury Sunday. Quite a number of Girl Guides from out this way were also in the parade. Westcott was well represented at the Jubilee in Didsbury last Thursday.

Mr. and Mrs. Peter Stakenus and family of Calgary were here to enjoy the Russell wedding dance on Wednesday evening, and the Jubilee in Didsbury Thursday.

Mr. Clarence Reinhardt and son Burnell are holidaying in British Columbia.

Mr. and Mrs. Herman Dageforde and family returned Friday from their holiday spent at the west coast.

Miss Deloyce Goetjen is spending a few days at Sundre this week with her aunt and uncle, Mr. and Mrs. John Stevenson.

Mr. and Mrs. H. Papke, Mr. and Mrs. Len Papke and Mr. Wesley Papke of Elkton, and Miss M. Blaine of Eagle Hill, were among the supper guests at the Herbert Goetjen home on Sunday evening last.

Congratulations to Mr. and Mrs. Fred Goetjen—it's a boy.

Mr. and Mrs. Stabinsen and son David of Oregon, U.S.A., are visiting here with the latter's sister, Mrs. Otto Folkman, and family.

Results of the Grade IX exams are out and most of the boys and girls here are going around with big smiles because of their success. Congratulations.

**MELVIN NEWS NOTES**

We were very glad to see Mr. Johnston much improved in health and able to attend the Jubilee last week.

Many in the district may be interested to know that one of the Shetland ponies given away at the Olds Fair went to Norval Honey's daughter, Lillian.

Mr. and Mrs. August Krobs returned home a week ago after a motor trip to the west coast and points in the States. They visited relatives in Oregon, Nebraska, Indiana, Iowa, S. Dakota and Montana.

Mr. and Mrs. L. Chandler and Mrs. Al Cowitz visited at the L. Grace home west of Inverness last Sunday.

**DIDSBURY OPERA THEATRE****NOTES FROM THE EAST**

The Shells Bros. haying outfit will soon have their hay crop up for another season. The crew working on the outfit are George, Harold, Bruce and Mr. Shiels Sr., Geo. Dunn and a hired hand.

Mr. Hugh McLean was a Sunday visitor at the home of Sam McAllister. Sam also has a cousin, Tom Cullins of Listwell, Ont., visiting at his home for a few days.

Mr. and Mrs. Clifford Nelson and family and Mr. and Mrs. Fritz Ludwig made up a berry picking party and were pleased with a nice raspberry patch they found west of Innisfail.

Mrs. Coates and daughters visited with Mr. and Mrs. Nelson on Sunday evening.

Mr. and Mrs. Russell Gillrie called at the Coates home on Sunday evening.

The Misses Hanna and Lois Neufeld are holidaying at Pigeon Lake for a few days.

Mrs. R. Shiels and daughter were visitors at Olds on Saturday.

Mrs. B. Shiels and Mrs. R. Shiels went picking tame raspberries and into a shower for a bride-to-be, and had a very pleasant afternoon along with a bit of work.

Harvesting has just started in the Jutland district. It won't be long until one will hear the binders and tractors humming again.

The new teacher for Jutland, and his wife and family, have taken up residence in the teacherage. Welcome to the district.

George, Alfred, Lily, Harry and Jerry Morasch spent Sunday in the Red Deer district with Mr. and Mrs. Theo Hunter. They also did a little fishing at Pine Lake and report a good catch.

**INVERNESS NOTES**

Gooseberries were a fair crop this year but the Saskatoon blossoms seem to have been frozen. Blueberries are ripe and the crop is good, and many people have been picking in this district.

The heavy rain last week caused water to run off the grade one mile west of Elkton and the road there is bad for travel.

Crops and gardens are good, with plenty of moisture. Grass and hay are excellent, and Dave Weiss and Joe Ness have 15 large stacks of hay up.

Mr. B. Neilson of Foothills was an Inverness visitor last week.

Crops are green and heavy, and harvesting is not likely to start before September.

Mrs. Dave Weiss saw a black bear while picking strawberries last Tuesday. Be on the look out for the bear, folks.

Lester Innan and his lady friend, Miss Freda Howes, spent last week end at Banff National Park.

Tuberculosis is a public health problem which affects every single individual in the world. Every case of tuberculosis costs somebody in the community \$10,000. Since 96 per cent of the patients cannot afford to pay their hospital expenses, that "somebody" is the taxpayer. This cost will go on and on until all the active cases of tuberculosis are located, hospitalized and prevented from spreading infection to others—Health and safety medium.

YOU PAY THE SAME for Counter Check Books, whether you order them from a salesman, or from The Didsbury Pioneer. Buy at home and support local industry.
